I respond to you by this EMO. It is a reaction to you your impact on me, that has been:

- delightfully positive
- frustratingly negative.

<b>Emotional cause</b>	<b>My according reaction</b>

Sincerely yours \_\_\_\_\_

This is an EMO as my EMOTional Reaction, similar to the proposal of an WiDuMi out of the book: Philipp Sonntag: Ungereimtes und Gereimtes, mit malerischen Interpretationen von Sabine Kaemmel, Projekte Verlag, Halle/Saale 2009
